

## YOU ARE THE BEST UMMAH

*"You are the best of people ever raised for mankind....."*  
*Surah Ali Imran:110*

With globalisation being a catchword these days, and a world growing increasingly intolerant, the challenges facing our youth cannot be underestimated. The Muslim Ummah seems to be under siege, and too often, Islam is made the scapegoat as we find ourselves backed into a corner.

### Maintaining an Islamic Identity

The fine act of balancing assimilation into society and maintaining an Islamic identity is a battle many will encounter. Isolation is never the answer, yet the temptations that lurk out there are very real. How can our youth accept the honour and privilege that Allah has bestowed upon us with pride and conviction? How can they live their lives in today's society without compromising their Islamic identity?

### Examples from Prophet Muhammad

The purpose of this camp is to enrich and strengthen the hearts and minds of our youth, through education, spiritual training, reflections and teamwork. Insha Allah, the camp hopes to bring our youth closer to Allah and increase their knowledge in matters of Islamic worship and behaviour, through the beautiful teachings and manners of our beloved *Prophet Muhammad (pbuh)*.

### How Best to Deal with Challenges

Participants will be taught how best to deal with the challenges they face and activities include study of Islamic etiquette, mind games and outdoor sports.

### Sharing the Same Hopes with Others

Life long friends are made at a camp, as it brings together people sharing the same hopes, dreams and fears. Lives have been changed here and it is an experience you do not want to miss.

### OBJECTIVES

1. To instill in our youth the sense of pride in being Muslims.
